

Announcement

7th April 2009

ATHRA in conjunction with its insurance partners, Affinity Insurance Brokers, are excited and pleased to announce a special opportunity unique to ATHRA members.

Following months of negotiations and review, ATHRA members can now obtain insurance for your horse, a 24 x 7, 365 days a year extension of the ATHRA personal accident policy, public liability, vet fees, float and tack, all at the best possible prices.

The offer is such that you select what components of insurance you wish to purchase. As mentioned this is unique for ATHRA members only, whilst other non-members may purchase the product, they will not receive the same level of coverage that ATHRA members will. This has been negotiated on your behalf and is consistent with the great work the membership has done, undertaking accreditation and risk management of its rides.

Each policy is predicated upon the insurance of your horse, like each of the other components you elect the value of this item and then select the additional components you wish to purchase.

As an indicative example, (see attached) if you insure your horse for \$2000, then elect to purchase the ATHRA Personal Accident Extension for up to 3 nominated riders (each of which are covered when undertaking an equine activity with the nominated insured horse) and \$1,000,000 of Personal Liability then the total cost for this is \$287.47.

Each case can be unique, you should contact Affinity's Rachel Bateman on 03 8587 7781 and advise her of your desire to purchase the ATHRA insurance package. (Please quote your membership number to obtain the best coverage at no additional cost)

In the near future, a "Ready Reckoner" link will be installed on our website (www.athra.com.au) so you can obtain an indication of costs specific to your personal needs. Further information can be obtained directly from Tony Hart, ATHRA's Insurance Coordinator on 0419 303 047

We hope, like us, you see this as a major benefit of ATHRA membership, an organisation that continues to deliver value to and for its members.

Alan Salter

ATHRA National President on behalf of the National Executive.

Example Only
