Dear Clubs and Members

Re: Brisbane Valley Rail Trail Ride

ATHRA Queensland is pleased to announce an inaugural event, and extend an invitation for all members nationally to join us as we host the opening major event being held on Queensland's first Community Rural Rail Trail in the beautiful Brisbane Valley located approximately 1 hours drive from Brisbane CBD.

We look forward to welcoming your companionship on this pioneering ride, which is becoming a National event with ATHRA members from interstate already looking forward to attend.

Participant numbers will be limited, with consideration given to date of booking.

During the stages of planning and providing relief to the cost of the ride, we have been generously supported by ATHRA National and Cavallo. The Department of Infrastructure and Planning have also given encouragement for the event and the development of supportive Community involvement in the townships along the Rail Trail.

We ask you to distribute the information enclosed, which is a copy of an advertisement for the ride, and a registration form to your Members. A full summary of events and requirements will be distributed in the form of a booklet upon receipt of the member's payment in full.

Yours truly

Janice

Janice Turner
Secretary
ATHRA Queensland

The Queensland Government provided \$60k to ATHRA Qld for organisational development to get more Queenslanders active through sport and recreation.
