Camp Report by Kay:

We have had 3 good camps since Cossarts Station in April, they were: Ripley in May, Hardings Paddock in June and Jimna in July.

Our day rides have been: Daisy Hill, Undullah Station, Wyaralong Dam, Spring Mountain, Tamborine, Ripley and Munruben.

Not to mention our Tuesday Ava Chat Rides, which are held on the first Tuesday of the month with Tracey.

At Cossarts Station we had a good turn out of 20 campers and one very happy and fit walker that was also our gate opener. We had 3 days of the best riding, on the last day I told everyone it was going to be a easy laid back ride, how wrong was I, it was one of the hardest rides but was so well worth it. Congrats to the walker who kept up with us, as well as our very youngest rider that showed us how to swim with her horse, She took it very well but was the first back in camp to have a shower. She also sung the hardest with Gail around the camp fire. The entertainment in our club is out of this world and worth a standing ovation. One rider who was rushing to get to camp filled her diesel car with petrol and spent all day waiting in Boonah for the petrol to be drained. It cost Tracey quite a lot to have repaired, it was a great camp, many thanks to the property owners who put themselves out for us and our ride leader Phillipa once again.

Another great camp that we never have done before was Ripley with our mate Denleigh, there was beautiful riding and great company. The cave was well worth the walk through, I remember Brian and Deb who done the three and half walk as we rode our horses then crawled through the caves with Judy. Sharon and Gailand our lead rider rested. It was such a beautiful place and very relaxing. The Camp fire is always the highlight when we all get around and talk about the days rides and who did what during the day. I do like the sing along around the camp at the end of the day with great people, many great memories are made.

Thanks Denleigh.

I would like to thank ride leaders who have taken the club out on day rides:
Gail ,Linda ,Maurice,Kevo and Jules ,and Roy.
