OCTOBER NEWSLETTER 2019

Do not pass riders at a speed that may excite or frighten their horse, particularly if a rider is already having issues. Consideration & safety is paramount.

If your horse has a tendency to kick, please tie a red ribbon in your horse's tail & place its hindquarters away from others when stationary.

Ride Calendar Unfortunately, there may be changes at times – mainly due to the weather, if so, you'll be notified. If you register for a ride then pull out, please let us know.
