

Madison was the very special daughter of Simon and Allison Mason, long term contributors to Great Divide Trail Riders and Athra.

Madison passed away suddenly January 2013. Her life was one that enriched the lives of others. She was always happy and smiling.

Madison attended Goulburn Options Inc in Seymour—a very special place with many special people. We would love for you to join us at an event hosted by Great Divide Trail riders to celebrate Madison and her community.

All proceeds will be donated to Goulburn Options in Madisons memory to assist with ongoing programs, trips, respite and contribute to the "Go Get Living Foundation" established to assist with the running of this very special facility and it's new endeavours for the future.

**WE WOULD LOVE TO SEE YOU THERE.**

This will be a 2 day camping event, with rides offered on both days. Friday and Saturday night entertainment, dinner Saturday night plus Sunday breakfast are included. There will be a giant Auction on Saturday night so bring plenty of coin!! You can arrive Friday afternoon—a sausage sizzle will be offered for a small fee, with the proceeds donated to the event. A commemorative embroidered cap will also be provided to all participants.

**\*\*YOU MUST BE AN ATHRA MEMBER TO PARTICIPATE IN THE RIDES OVER THE WEEKEND\*\***
